

Subnational electricity consumption, Great Britain, 2021

This table shows the electricity consumption and the number of electric meters by local authority. Country/region totals are shown where the local authority is specified as 'All local authorities'.
 Some consumption within given countries/regions could not be allocated to specific local authorities. This consumption is shown in the rows where 'Unallocated' is specified in the local authority column.
 Freeze panes are active on this sheet. To turn off freeze panes select the 'View' ribbon then 'Freeze Panes' then 'Unfreeze Panes' or use [Alt W, F].
